President’s Message

We’ve talked about it, planned for it, and dreamed about it. And now, it's finally here. One hundred years! NCECA celebrates its 100th birthday in 2013. We celebrate a significant landmark in the history of our organization – a century of serving our community!

I saw a phrase somewhere that epitomizes this milestone for ECA . . . don’t be a prisoner of the past, but a pioneer of the future! This is a testament to ECA’s ability to survive, adapt, and grow. We should be proud to have reached this year with so many accomplishments to celebrate!

As we enter this great celebratory year with justifiable pride in past accomplishments, we also have great cause for optimism about the future. As we planned celebrations commemorating this milestone, there seemed to be a renewed interest and energy in ECA’s mission and purpose. I encourage using all of the energy, enthusiasm and determination that I have observed this year to continue to empower individuals and families to improve their quality of life.

Over the past 10 decades, ECA has left a rich history and has laid the groundwork for a bright future. I hope you will celebrate ECA’s 100 years, appreciate what is outstanding and special about our history and position ECA for to be a leader for the next 100 years!

With this centennial comes a new day for ECA. Your NCECA Leadership Team will serve 2-year terms, so as we move from 2013 into 2014 and think about ECA . . . don’t be a prisoner of the past, but a pioneer of the future! How do we accomplish that? By not being content to rest upon past accomplishments (which are many), but by seriously looking for ways to lead the way in helping make our communities and state a much better place in which to live. It is not that hard for you’ve been doing it WELL for 100 years!!

Wanda Denning, 2013-14 President

*In addition to Budget the Leadership Team voted to donate $5000.00 to ECA Foundation toward ECA Centennial Celebration.*
Pennies For Friendship

*Pennies for Friendship* provides a way for each individual member of societies to take an active part in the work of ACWW. By contributing to Pennies for Friendship, each member promotes world friendship, understanding and goodwill. “*Pennies for Friendship*” is a major source of the income to carry out the work of ACWW. NCECA urges members to participate in this activity.

This voluntary fund is the lifeblood of ACWW. Within ACWW nothing functions without these Pennies – ACWW projects administration, United Nations links, Officers’ Conferences, and the Countrywoman Magazine, are all supported by Pennies for Friendship.

ACWW depends totally on our generosity to enable the continuation of vital work on behalf of women striving to improve the quality of family life in rural areas, and is grateful for all donations given in Friendship and support of the work we are all doing together: ACWW works with women worldwide!

In addition to the collection taken at our State Meeting, Clubs, Counties and District ECA groups can collect at each of their meetings. Fund-raising events can be held on ACWW Day, April 29 of each year.

**Give Generously – Every Penny Counts!**

Community Service Projects

One of the most satisfying, fun, and productive ways to make a difference in your community is to volunteer through community service projects. While this list is not by any means complete, these are some that are a statewide initiative of NCECA.

- Victory Junction
- Boys & Girls Homes of NC
- Ronald McDonald House (soda tabs)
- Military Coupons

Other opportunities:
- Warm Up America
- School programs, i.e. supplies, lunches, clothing, books, back pack buddies, etc.
- Sewing projects for cancer patients and shut-ins, i.e. afghans, mastectomy pillows, cozy caps, etc.
- Partnering with other agencies, i.e. personal hygiene kits for Red Cross, battered family centers, bears, therapy dolls, activity aprons, Foster Care
- Any special projects relative to your community
Water Around The World
NVON Project in Common
2013-2015

The NVON Project in Common for 2013-2015 is “Water Around The World.” The objective of the three-year international project is to present an overview of how water is an essential resource and fundamental building block of life, present an awareness of problems that could arise when clean water is lacking in communities and how we can help those in need around the world.

The world’s water crisis has many faces. A girl in Africa walks three miles before school to fetch water from a distant well. A teenage boy in China is afflicted with terrible skin lesions because his village well is contaminated with arsenic. Impoverished slum dwellers in Angola draw drinking water from the local river where their sewage is dumped.

The United Nations has declared 2005-2015 as the ‘Water for Life’ decade. The goal is to reduce by half the proportion of people without access to safe drinking water by 2015 and to stop unsustainable exploitation of water resources.

Share these facts with members:
• According to the United Nations, every day 4,500 children under the age of 5 die around the world, having fallen sick because of unclean water and sanitation.
• Five times as many children die each year of diarrhea as of HIV/AIDS.
• A third of the world’s population is enduring some form of water scarcity.
• One in every six human beings has no access to clean water within a kilometer of their homes.
• Half of all people in developing countries have no access to proper sanitation.
• Water is critical for life and for livelihoods.
• Billions of people suffer from disease, poverty and a lack of dignity and opportunity because they have no access to this basic resource.

Sawyer Products, Inc. of Safety Harbor, Florida is a company that designed the fastest, easiest and most cost efficient portable water filter, the “PointONE Filter.” It uses technology developed for kidney dialysis. It is the first portable purification device to remove viruses mechanically and exceeds Environmental Protection Agency (EPA) and National Science Foundation (NSF) recommendations.

Sawyer Products, Inc. is currently working in over 70+ countries with numerous relief agencies and non-governmental organizations. We can help support their efforts by donating money, purchasing or sponsor filters to send to missionaries, or by making short term mission trips. No amount is too small to send clean “Water Around The World.”
