## **Difficult People Scenario Activity**

1. Print out the cards from Page 1. There should be at least one for every participant in the workshop.
2. Place at least one “Difficult Personality” type on each table, ensuring each participant gets one.
3. Propose a scenario to the group. (e.g. – “Plan District Activities Day”)
4. Give participants five to ten minutes to act out the “difficult personality” they received within the given scenario.
5. Reflect on the activity by discussing what it was like to have to work in these groups with the clashing personalities.
